

152A.2 License requirements.

1. An applicant shall be issued a license to practice dietetics by the board when the applicant satisfies all of the following:

a. Possesses a baccalaureate degree or postbaccalaureate degree with a major course of study in human nutrition, food and nutrition, dietetics, or food systems management, or in an equivalent major course of study which meets minimum academic requirements as established by the American dietetic association and approved by the board.

b. Completes an internship or preplanned professional experience program approved by the American dietetic association and approved by the board.

c. Satisfactorily completes an examination designed by the board.

2. Renewal of a license granted under this chapter shall not be approved unless the applicant has satisfactorily completed the continuing education requirements for the license as prescribed by the board.
